A rolling stone gathers no moss." A very dain adage, (says the Pennsylvanian.)elm just seen in a country paper the

There are at present 270 immates in the laryland positentiaty—249 males and 22 fe-lary. White male convicts, 183; do female olored male convicts 95; do female, 20 .the gades 158 are employed in weaving, apping, or otherwise engaged in the weav artment; making shoes, 11; reeling

a recent letter, says .-

I was informed last evening by an intiate friend of Mr Webster, that the use of Let us see. s mme as a candidate for the Vice Presency is whelly unorthorised and against wishes. He is willing still to serve the s, he has never abandoned and never or years Mr. Webster's powers are neeed elsewhere. He is still the gigantic pillar of the Union, and the great champion of the true American interests. The farmer and the manufacturer owe both him and the cause he advocates their gratitude and support. He has done as much as any aving man to make the glorious institutions of our country as permanent as its monu-ments and as durable as his fame.

ACCIDENT ON THE NEW YORK AND ERIE rounded .- We learn by a passenger, who great velocity down a escent for some miles to where some la borers were on the track at work, the car other had his leg taken off near the thigh. and Blountville, about nine miles from Piermont. - N. Y. Express.

MAISE. -It appears highly probable that Whigs; and that if it had been given this Morse (Whig) is elected to Congress in the year to the Whig candidates, every Whig Lincoln and Oxford district; a district ger- candidate would have been triumphantly rymander for a Locofoco. Morse is a working ship carver; a self made man.

Severance (Whig) is elected beyond loubt in the Kennebec district. The Boson Atlas says he was a journeyman prinr in the office of the National Intelligener, at Washington, and went from that office into the State of Maine, and located miniself as the conductor of a newspaper. He now goes back to Washington, as a member of Congress.

STILL LATER .- MASSACHUSETTS .-- The following have been elected to House; Whigs 174. Locos 117. No choice 113. In the list of those who have made no choice, are included several which have exhausted their right to elect any more .--Of the remainder, twenty six have given a clear Whig majority, and a larger portion of the residue a plurality for Briggs.

There is but one Senator (Loco) elected u Hampden. Beach is defeated by what the Post calls "something worse" than folly in some 300 Locos of Springfield &c.

the Senator elected has only 43 votes to le. Last year the Loco Foco majority the county was 503. Well done Hamp-

VINEYARD, the murder of Arndt, has seen acquited! We have barely time to anounce the disgraceful fact. We shall take occasion hereafter to express our views with reference to this outrage upon justice.

Milwaukie Democrat.

This verdict of acquital is the foulest blot upon the fair fame of Wisconsin, a ordery that stands deservedly high for o morals and intelligence of its law repecting citizens. Vinyard and Arndt were both members of the Legislature, and the latter was shot dead on the floor of the
